

ELEMENTS

If you're looking for new ideas and inspiration,
you've come to the right place:
VERSTEEL.COM

ELEMENTS CONFERENCE. CONVERSATION STARTERS.

Ideas and discussions flow when people gather around a stylish and durable Elements conference table. Create the Elements you want by choosing from a multitude of shapes and sizes, combined with your choice of cylinder, square or arc bases. Thanks to Versteel, conference room solutions are simply elemental.

BASE STYLES

The suspended arc panel, suspended cylinder and suspended square base styles are available with an assortment of top shapes.

CREATE AN ENVIRONMENT

Combine with Entourage for conference for everything you need to specify a great meeting environment.

DESIGN

A unique base design allows access to large capacity cable routing.

ELEMENTS

FUNCTIONAL A table for every space. Combine a multitude of top shapes and sizes with the complementary cylinder, square or arced bases to create the perfect choice for your conference needs.

ENDURING Engineered and built to Versteel standards. Powder coated steel frames and panels will provide unparalleled product longevity. **COHESIVE** Integrates with other Versteel products. Combine with Entourage For Conference pieces and unique Versteel seating options to specify a complete conference area.

FINISHES & MATERIALS Laminate, powder coat and veneer. An unsurpassed standards program with available custom finishes to give you the look you desire.
