

IMMIX®

IMMIX® CREATE YOUR SPACE.

Immix is the modular bench system that allows for the creative configuration of any and all your seating needs. With its standard lengths and curves, you can build an Immix to fit any environment. Combine curves and straight sections for unlimited configurations and spans. Mix and match seats with a variety of top shapes, materials and edge options.

TABLES

Additional surface space available for a variety of working needs.

POWER & DATA

Power and data options are available for the Immix series.

ACCESSORIES

Specify a bolster instead of a fully upholstered arm for just the right touch.

If you're looking for new ideas and
inspiration, you've come to the right place:
