

# The Maker Project

Utility Stools

NEVER  
STOP  
FEEL  
THE

Unleash the natural beauty of artisan style and fabricated materials with Maker Stools.  
Offered in three heights: 18" seated, 24" counter and 29" bar (static or adjustable).  
Studio Steel process is standard in any Versteel powder coat. Seat is clear-coat birch ply.

Part of The Maker Project by Versteel, an industrial series which celebrates the inherent qualities of fabrication and manufacturing.
