

MODESTY PANELS

MODESTY PANELS. THE FINISHING TOUCH.

Versteel modesty panels are manufactured to the same quality standards as the tables they enhance. Adding a modesty panel creates flexible functionality for your table. .

FIXED

Mounted to the top with screws through steel brackets and must be field installed into pre-drilled positions in the top.

FOLDING

Mounted to the top with heavy duty hinge assemblies. A sliding brace supports the modesty panel in the set-up position.

REMOVABLE

Slides into heavy duty steel brackets that are mounted to the top. Tighten the handwheels to keep the modesty in position or loosen to remove.

If you're looking for new ideas and inspiration, you've come to the right place:
