COMPANION HAS DURABILITY AND STRENGTH, DESIGNED WITH STYLE AND USE IN MIND.

Companion seating from VERSTEEL is an ideal choice for any application where there is intense usage, such as education and training environments. Expert construction using state-of-the-art manufacturing techniques and materials create a lasting chair, sure to perform for years to come. Tailor the chair with accessories and coordinated, durable finishes for your specific application.

MORE CHOICES, MORE SOLUTIONS.

COMPANION HAS DURABILITY AND STRENGTH, DESIGNED WITH STYLE AND USE IN MIND.

Companion seating from VERSTEEL is a versatile solution for your multi-seating needs. Chairs and stools are stackable whether you choose arms or armless, wood or upholstery. Use the chair trolley to easily move stacks of chairs. Should the specification mandate, add the integrated linking bracket, which conveniently stores beneath the seat. Companion X is available in three sizes for bariatric specifications.

MORE CHOICES, MORE SOLUTIONS.
