# VERSTEEL

Socius has a modern aesthetic that lends itself to healthcare and corporate areas. Collection includes mid or high back chairs, easy access and bariatric seating.

**Features**

Flex back is standard on the mid and high back patient chairs as well as the 26" and 30" bariatric models. Chairs can be ordered with or without urethane armcaps. All Socius chairs including those with a flex back are a wall saver and have high-density polyethylene glides. Built with heavy duty construction and materials for durability all Socius chairs withstand a static load of over 1200 pounds.

**Shipping Schedule****Standard Items**

Upholstered

4-5 WEEKS

Contact Versteel for special lead time requests.

**BIFMA**

All Versteel products are constructed to pass the relevant ANSI/BIFMA standards. For more detailed specifications by series and base style, contact Versteel Customer Service at 800.876.2120.

Additional information regarding warranty, terms and conditions, shipping, care and maintenance, etc. can be found on pages 2-6 of the All Seating price list.

**Standard Versteel Upholstery**

Standard Versteel Upholstery offers a range of materials, from fabrics in a variety of colors and textures to vinyls for soil resistance. Please refer to Versteel's fabric cards, upholstery options pages in the All Seating price list, or the "Materials and Finishes" section of our website for information.

**Grade-In Upholstery**

Versteel has coordinated with upholstery manufacturers to simplify your order process. Many of the manufacturers' offerings have been pre-approved for application on Versteel Seating.

Contact Versteel Customer Service with your selected fabric choice to be graded in. You will be supplied with the appropriate grade-in designator. On your purchase order, complete the information with the pattern name, color description and grade-in designator, and Versteel will take it from there.

**Customer's Own Material**

Customer's Own Materials (COM's) are not an issue on Socius. Many COM's are pre-approved for application on Versteel Seating. Call Versteel Customer Service with your COM selection to determine if it has been pre-approved. If your selection has not been pre-approved, reference the "Receiving COM Approval" section below.

**Receiving COM Approval**

Not all materials are suitable for upholstery on Socius. A 12" x 12" memo sample must be supplied for approval before a COM material is accepted for an order. If the material is directional in pattern or weave, the pattern repeat (in inches) in both directions or the weave direction must be supplied.

**Excess COM**

Versteel will not store excess COM for more than 30 days after the order has been completed. If excess material is to be returned after order completion, send the request to Versteel Customer Service prior to acknowledged ship date. It is the customer's responsibility to arrange for the return of the material "freight collect."

**COM Requiring Application Test**

If an application test is required for your selected COM, send test sample material along with the following.

1. Name and return address
2. Model selected
3. Sketch showing special requirements for the positioning of the materials' pattern on the seat and ledge, if special considerations are required.

**NOTE** ALL UPHOLSTERIES ARE CUT UP THE ROLL TO MAXIMIZE YIELD AND WEAR PERFORMANCE

**Ship COM to:**

Versteel  
2332 Cathy Lane  
Jasper, IN 47546

COM must be shipped to the factory with transportation costs "prepaid." If material is considered defective or unusable, it will be returned "transportation collect."

For standard lead time orders, tag fabric with purchase order number and identify with project number if possible.

**Application of Directional Fabrics**

Due to the upholstering process, some fabrics not considered directional by the supplier may be considered directional by Versteel.

All COM's are cut "up the roll" unless otherwise directed by the customer (see illustration below).

**EXAMPLE** PATTERN CUT "UP THE ROLL"

If special cutting or upholstery application is required, you must indicate requirement at time of order entry.

**Socius COM Yardage Requirements**

COM yardage requirements are calculated based on a material width of 54" and a repeat of 2" or less. For material less than 54" wide, contact Versteel for yardage requirements. Use the chart below as a guide to calculate your COM yardage. For quantities greater than 15 chairs or 10 bariatric chairs, contact Versteel Customer Service for calculation of COM yardage by model.

Quantity of Chairs	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15
<b>Socius</b>															
Patient Mid Back	2.5	4.0	5.5	7.0	8.0	10.0	11.5	13.0	15.0	16.5	17.5	18.5	19.5	21.5	23.5
Patient High Back	3.0	4.0	6.0	8.0	9.0	11.0	12.0	14.0	17.0	18.0	19.5	20.5	22.5	24.0	26.5
Patient Easy Access	2.5	4.0	5.5	7.0	8.0	10.0	11.5	13.0	15.0	16.5	17.5	18.5	19.5	21.5	23.5
Bariatric X26	2.5	4.5	6	7.5	10	11.5	13	15	16.5	18.5					
Bariatric X30	3	5	7	9	11.5	13.5	15.5	18	20	22					
Bariatric X42	5.0	8.0	10.0	13.0	15.0	18.0	20.0	23.0	25.0	28.0	-	-	-	-	-

**Patterned COM Additional Yardage Guide**

Use the guide below to aid in ordering the appropriate COM fabric when needing to match a pattern with a repeat. To use this guide, add the vertical and horizontal repeats together (e.g. a 5" vertical repeat plus an 11" horizontal repeat gives a 16" total). Then find the appropriate entry on the chart, and increase the yardage estimate by the percentage indicated.

For example: The yardage estimate is 8 yards of 54" wide fabric and the pattern has a repeat of 11" horizontal and 5" vertical. Add up the repeats (11" + 5" = 16") and find the appropriate entry - 15% in this example. Fifteen percent more fabric is required to match the pattern. 8 yards plus an extra 15% is 9.2 yards.

Fabric Width	Plain Fabric	3" - 14" Repeat	15" - 19" Repeat	20" - 27" Repeat	28" - 36" Repeat	37" - 45" Repeat	46" - 54" Repeat
54"	0%	10%	15%	20%	25%	30%	35%
50" - 52"	10%	20%	25%	30%	35%	40%	45%

**Decorative Patterns**

Yardage requirements are greatly affected by the size of the repeat and the print or pattern of the material. Versteel cuts all seating patterns with aesthetic concerns in mind for high quality and consistency. Refer to the COM listing for the yardage required for pattern repeat.

**To Order, Specify...**

- 1 Model Number
- 2 Frame Color
- 3 Upholstery Selection
- 4 Urethane Armcap Color

A **SCMBPA-01** is a Socius series, 4-leg, mid back patient chair with upholstered seat and back and no armcaps.

The codes **PCHA / FVT Biscuit** specify Champagne frame with Grade 2 Variant 10 Biscuit upholstery.

**Studio Steel®**

Versteel's "urban fabrication" process leaves the telltale signs of welding and assembly on the surface, highlighting a manufacturing aesthetic. Choosing a clear or transparent powder coat is recommended, allowing tonal striation (created as a result of extreme heat), natural textures, and the inherent qualities of raw steel to show through.

Studio Steel Process . . . . . \$165 per chair

**Powder Coat Finishes**

All powder coat finishes in the Versteel offering have been formulated with the use of epoxy, polyester or epoxy and polyester blends to maximize the finish durability.

Powder Coat - Standard . . . . . n/c

Powder Coat - Premium . . . . . \$165 per chair

**Socius Powder Coat Colors**

- Powder Coat Alternative . . . . . OPA

**Transparent Powder Coats (indicated by ◆)**

Please note that the transparent characteristics of these powders allow all natural welds and textures inherent to raw steel to be visible.

**Premium Powder Coats (indicated by ⊕)**

Versteel's premium process uses specially formulated powder coats for a truly unique color palette.

**Plated**

Versteel offers two plated options: Chrome and Nickel. Chrome is our most durable finish available and is a deep luster chrome plated finish. Nickel is a plated finish with a clear coat applied for durability. An upcharge applies for plated finishes. See product pricing pages for upcharge.

Chrome . . . . . ECHR

Nickel . . . . . ENKL

**Socius Urethane Armcaps**

Socius armcaps are molded with soft urethane.

**Finish Reference & Samples**

For finish color reference, please refer to our website. Contact Versteel Customer Service to receive actual color samples for color matches and final color approval.

**Powder Coat Alternative****Call for quotation**

Specify code **OPA** (*Powder Coat Alternative*), add cost from Versteel quotation

Powder Coat Alternative is available from Versteel. The entire RAL color reference along with hundreds of other color and finishes are available.

For Powder Coat Alternative matching, you must supply a color reference sample, or an RAL number. Versteel will review the sample for possible existing colors available and send a sample for customer approval. If no color match exists a custom match can be developed. Call Versteel Customer Service for associated upcharges on custom color development.

**NOTE** CUSTOM COLOR MATCHING APPROVALS MAY AFFECT STANDARD PRODUCTION SCHEDULES

**Custom Urethane Edge****Call for quotation / one time charge per color, per order**

Specify code **OCU** (*Custom Urethane Color Match*), add cost from Versteel quotation

For Urethane Color Matching you must supply a color reference sample. A custom match will be developed and sampled for customer approval before a production schedule is established.
