TABLES

Tops

The 1 ¼" tops are available in laminate or veneer. Top shapes are round, square and rectangle.

Laminate and Veneer, Standard Core Construction

The standard top construction consists of 45-50 lb particleboard, surfaced with a high pressure laminate or plain sliced veneer face. A backer sheet is laminated to the underside of the top. Tops are shipped with understructure attached.

PVC Flat or Fluted Edge - 1 ¼"

Edge of 2mm PVC hot melt banded to the top with 1/8" radius at the top and bottom. Available with 1 ½" radius corners or square corners.

Offered in twenty-one (21) standard colors.

Wood Flat or Fluted Edge - 1 ¼"

Wood banding hot melt banded to the top with 1/8" radius at the top and bottom. Available with 1 ½" radius corners or square corners.

Offered in Ash, Cherry, Maple or Walnut materials.

Table Heights

Table heights are 30", 36" and 42" tall.

Stretcher Rails

All 36" and 42" tall tables have stretcher rails running diagonally from leg to leg. Rails are 2" tall with a distance of 10" from bottom rail to the floor. They are fully welded for rectangle tables and K.D. for round and square tables. Stretcher rails are the same color as the legs.

Leg Accent

As an added feature all Troupe legs have a metal accent piece. This appealing design aesthetic allows the designer or specifier to specify one color for a monochromatic look or select two coordinating powder coat colors enhancing the design beauty of the table.

Apron

A 2" angle iron apron is mounted under the top for added stability. Apron is the same color as the accent pieces and will be mounted to all four sides of the table.

Freight Program

Normal delivery is on a dock-to-dock basis, F.O.B. Versteel's factory in Jasper, Indiana. Orders within the 48 contiguous United States will be assessed a freight charge based on a percentage of the total list* price, or a flat rate of \$300*, whichever is greater. Using the zone map above apply the appropriate percentage to the total list* to determine freight cost. Special requests such as inside delivery, "call before," etc. should be noted on the customer's purchase order and are subject to additional charges. Contact Versteel Customer Service regarding freight quotes for shipments to Canada, a minimum charge of \$400* will apply.

Oversized Shipping Fee

Orders received for items or tops greater than 94" in length will receive a \$250* net oversized shipping fee per order. Fee not applied to orders with multi-piece tops where each section is less than 94" in length.
