skware

“Oblige your sensible side ‘and’ get yourself some style with Skware, a no-nonsense table that provides practical solutions for every environment imaginable.”

Skware, for work, and so much more.

BASES | Skware bases have been designed with a rectilinear aesthetic that provides crisp, clean lines and are engineered for Versteel strength and durability.

Available in a variety of styles (T, TT, and X), Skware bases are welded and finished in our Jasper, Indiana manufacturing facility.

Choose from fixed, folding, tilt, or slim-tilt.

OPTIONS | Add modesties, power/data, mobility, wire management, linking, and/or tilting to create training, dining, collaboration, and conference tables.

Shapes include round, square, rectangle, racetrack, oval, boatshape, split-top, corner, video wedge, trapezoid, crescent, teardrop, half round, quarter round, and transitional wedges . . . pshew.

SPECIFY | Select from the extensive Versteel powder coat offering for your Skware bases, or bring out the bling with chrome and nickel.

Top materials include (but are never limited to) laminate, veneer, and solid surface with edge banding of PVC, 3mm wood, or finished lumber.

And don't forget about our comprehensive catalog of wood finishes, as well as custom stain matches.
