VERSTEEL

Prices

All prices are list price, delivered (48 contiguous United States), effective with date printed on cover and supersedes all other published price lists. Versteel reserves the right to change prices or specifications without prior notice. Normal delivery is on a dock-to-dock basis. Orders are accepted subject to price prevailing at time of shipment. Additional charges may apply on special requests noted on the customer's purchase order such as inside delivery, "call before," etc. Seating is available F.O.B. Jasper, Indiana 47546 – call for quotation. Orders less than \$1000 net will be subject to a \$100 minimum order charge (orders originating from Canada less than \$1125 net will be subject to a \$200 minimum order charge).

Acknowledgement

Orders are accepted, manufactured and invoiced in accordance with the acknowledgement. Notify Versteel immediately of any discrepancies. Acknowledged orders may not be cancelled or modified without written consent from Versteel.

Orders

All orders must be received in writing, accompanied by final material and finish specifications for order entry.

CONTACT VERSTEEL

812 634 2120
FACSIMILE 812 482 9318

MAILING ADDRESS

Versteel
2332 Cathy Lane
Jasper, IN 47546

Faxed orders are accepted. Duplicate orders that are received by mail (after having been faxed) and not marked "Confirmation" are the responsibility of the customer.

Telephone orders must be confirmed in writing within 24 hours, marked "Confirmation." Duplicate orders not marked "Confirmation" are the responsibility of the customer.

Credit

You are requested to enclose one bank reference and three trade references with your initial order.

Credit Cards

Versteel accepts Mastercard, Visa & AMEX credit card payment for invoiced sales. Credit card information must be presented along with the Sales Order (with a signed Credit Card Authorization Form attached). There is no cash discount extended to credit card orders. Credit cards will be charged at time of shipment. Versteel will not accept credit cards for payment of account balances.

Changes or Cancellation

Any change or cancellation to an order must be submitted in writing and confirmed by Versteel Customer Service before the change or cancellation is effective. Due to short lead times, any change or cancellation may result in charges if materials have entered the production process.

Shipping Schedule

Elly 6–8 WEEKS

Shipping

Shipping Class 150. Normal delivery is on a dock-to-dock basis. Special requests such as inside delivery, "call before," etc. should be noted on the customer's purchase order and are subject to additional charges.

Elly ships disassembled and requires assembly.

Orders shipping outside of the contiguous 48 United States will have shipping quoted as a separate item.

FOB ORIGIN, FREIGHT PREPAID

Versteel
2332 Cathy Lane
Jasper, IN 47546

Shipping Damage Claims

Legal title of merchandise passes to the buyer upon acceptance of the carrier. All cartons must be carefully inspected upon delivery. Details of visible damage should be noted on the delivery receipt. If concealed damage is discovered, the carrier must be notified within five (5) days. The buyer has the sole obligation of seeking recourse against the carrier.

Partial Shipments

Versteel makes every attempt to ship orders complete and on schedule. However, we reserve the right to make partial shipments as product is ready, in an effort to get your order to you as quickly as possible. Invoices covering these shipments are to be paid as they become due.

Returns

No return merchandise will be accepted without Versteel's written consent and shipping instructions. Unauthorized returns will not be accepted.

Terms

Terms are 1%, 10 days, net 30 days from date of invoice.

Warranty

All table and seating products manufactured by Versteel, are guaranteed by a Lifetime Warranty against defects in materials and workmanship from the date of purchase.

Electrical items manufactured by Versteel are guaranteed against defect for a period of five (5) years from date of purchase.

Electrical items not manufactured by Versteel are covered by the manufacturers under their specified warranty.

Consumables such as gas cylinders, casters and glides are covered for a period of one (1) year. Versteel will not cover labor costs associated with replacing the casters or glides.

Wood veneer is warranted for a period of ten (10) years. Natural variations in grain, color or texture of wood should not be construed as defects under this warranty.

Versteel will replace or repair (at our discretion) without cost to our customers any item manufactured by Versteel found to be defective as a result of defective material or workmanship. We will not, however, repair any item which is not properly installed, abused or subject to any use other than that which was originally intended. The warranty does not cover normal wear and tear of the product, which is expected over the course of ownership. Any repairs by the customer must receive specific written authorization from Versteel before being executed on location to receive proper reimbursement for associated costs. In no event shall liability under this warranty exceed the original purchase price.

Warranty on plastic laminates and upholstery is not covered by Versteel but is covered by laminate and textile manufacturers under their specified warranty only. All foams, fabrics and vinyls are prone to stretch and loosen over time through normal use. This natural effect, called puddling, is covered for a period of one (1) year from the date of purchase.

There are no other warranties expressed or implied.

Care of Upholstery Surfaces

For Versteel standard fabrics and vinyls, consult the back of the appropriate swatch card for cleaning codes and any specific instructions. For COM materials, consult with the individual textile manufacturer for cleaning codes and any specific instructions pertaining to your particular fabric.

Care of Powder Coat and Nickel Frames

Clean with a mild soap solution and rinse with clean, clear water. Wipe the entire surface and follow with a clean, dry cloth to buff dry.

Care of Chrome Frames

Clean with a wet cloth or window cleaner. For scuff marks or heavy soiling, a non-abrasive automotive chrome polish can be applied as directed.

Care of Laminate Surfaces

Clean with a mild soap solution and rinse with clean, clear water. Wipe the entire surface, moving with the pattern and follow with a clean, dry soft cloth.

Care of Veneer Surfaces

Clean all surfaces frequently with water-dampened soft cloth, moving the cloth with the grain direction. Quickly buff dry. Immediately remove any liquids that come in contact with wood surfaces using a blotting action to absorb liquid. Lift objects to move them. Never pull them across the finished surface.

Avoid exposing furniture to extreme heat and cold or to wide humidity variances. Avoid exposing furniture to strong sunlight. Do not use soaps, commercial cleaners or harsh solvents (nail polish remover, acetates, etc.) as they will cause finish deterioration.

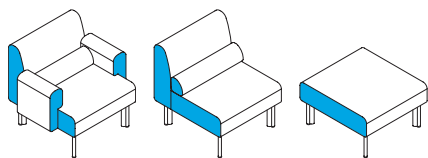

Manufacturer certifies that products meet or exceed applicable ANSI/BIFMA standards and testing.

Elly is a modular soft-seating series featuring oversized seats to accommodate multiple sitting styles and body shapes. Linking tables may be added to compliment or complete your configuration. When creating your space don't forget to include the Elly occasional tables or pull up table.

Seating

Seating frames are constructed of laminated plywood with CNC cut joints. The pocket and notch construction is reinforced with corner blocks. High density polyurethane foam with webbing is used for comfort.

Units are standard with a primary and accent fabric. The accent fabric is on the side of the seat and back, the front of the arms and the side of the bolster. The accent fabric is included in the cost of each unit. Contact Customer Service for list pricing if the accent fabric is higher than a grade 6. If an accent fabric isn't desired specify it to be the same as the primary fabric.

Component fastening points are metal to metal for ease of assembly and durability. The Paces style steel legs are welded to a mounting plate. Adjustable nylon glides are standard. All Versteel powder coats, including Chrome and Nickel are available.

Tables

Elly offers both freestanding occasional tables and linking tables. Shape options include square, rectangle and round for the occasional tables, or square, rectangle and half round for the linking tables. The slab top is 3" high for the occasional tables and 6 1/2" high for the linking tables and may be specified in laminate or veneer with a self edge. Available in all Versteel powder coats, including Chrome and Nickel, the steel legs are welded to mounting plates. Adjustable nylon glides are standard.

The Elly pull up table is perfect for a cup of coffee, personal electronic device, or anything you might want to keep close at hand. Available with either a laminate or veneer top with a 7/8" PVC or wood edge band the unique top shape is designed for comfort and use. The heavy-duty powder coated steel platform-style base features fixed nylon glides. Chrome and Nickel are not available on the pull up table.

Power / Data

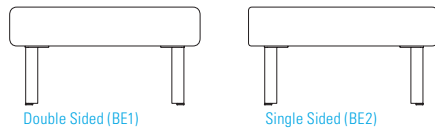

A mini-tap electrical unit may be specified in the seats or tables. See the planning page for additional information.

Linking Configurations

One, two and three seat units, benches and tables can be combined to create linking configurations for relaxation and collaboration.

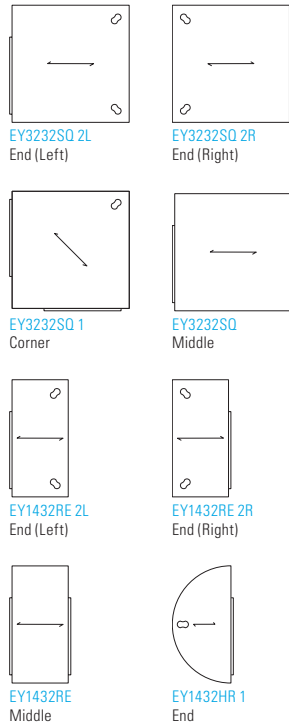

When including a linking table in your configuration keep in mind it will need to link to an armless unit.

Elly offers two styles of backless benches: double sided and single sided. The single sided bench is not finished on the back and is intended for back-to-back application or to be placed against the wall.

Linking Tables

There are three shapes of linking tables; square, rectangle and half round. All three shapes may be specified for the end of the configuration run. The square and rectangle tables may also be specified in the middle of a configuration. The square corner table is the perfect fit for corner applications.

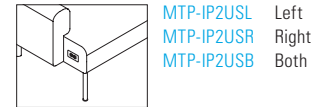

Power

It may be desirable to provide power access to your Elly configuration. The mini-tap is the perfect solution as it provides one outlet and one dual port USB charger. The Unit is silver with white outlet trim.

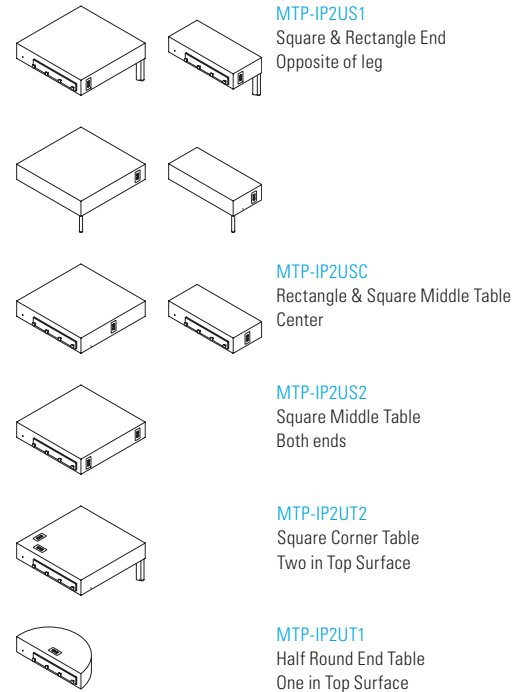

On Elly seating, the mini-tap can be specified on either the lower right or left hand side of the seat cushion.

For linking tables the mini-tap is located opposite the leg on the front of square or rectangle end tables, and is centered on the front of rectangle middle tables. The mini-tap will be in the top surface when specified on corner and half round tables. For square middle tables there are two location options: one mini-tap centered on the front, or two mini-taps on either end of the front. See below for locations.

Seating

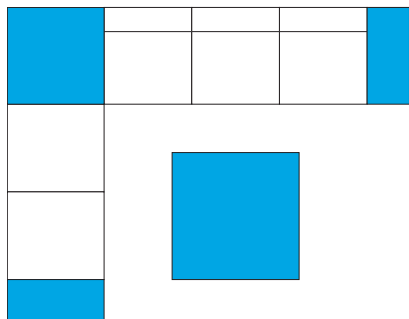

Tables

If you have particular needs that have not been addressed in this price list, please call Versteel Customer Service for answers and recommendations. A drawing of your layout is required for all Elly purchase orders.

Configuration Examples

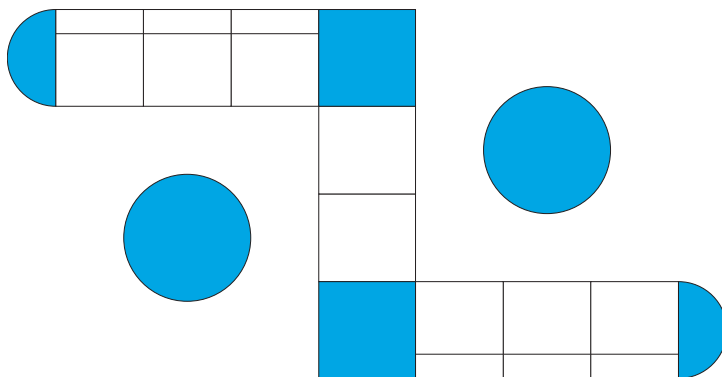

Versteel will help with your configuration if you have concerns. Simply call Customer Service and provide the dimensions of your space and the type of configuration you desire. Like any other space planning, it is helpful to know where the power and data sources are, as well as windows, doors, any other obstructions and proposed traffic patterns.

Standard Versteel Upholstery

Standard Versteel Upholstery offers a range of materials, from fabrics in a variety of colors and textures to vinyls for soil resistance. Please refer to Versteel's fabric cards, upholstery options pages in the All Seating price list, or the "Materials and Finishes" section of our web site for reference information. versteel.com

Grade-In Upholstery

Versteel has coordinated with upholstery manufacturers to simplify your order process. Many of the manufacturers' offerings have been pre-approved for application on Versteel Seating.

Contact Versteel Customer Service with your selected fabric choice to be graded in. They will supply you with the appropriate grade-in designator. On your purchase order, complete the information with the pattern name, color description and grade-in designator, and Versteel will take it from there.

Customer's Own Material

Customer's Own Materials (COM's) are not an issue on Versteel Seating. Many COM's are pre-approved for application on Versteel Seating. Call Versteel Customer Service with your COM selection to determine if it has been pre-approved. If your selection has not been pre-approved, reference the "Receiving COM Approval" section below.

Receiving COM Approval

Not all materials are suitable for upholstery on all chairs. A 12" x 12" memo sample must be supplied for approval before a COM material is accepted for an order. If the material is directional in pattern or weave, the pattern repeat (in inches) in both directions or the weave direction must be supplied.

Excess COM

Versteel will not store excess COM for more than 30 days after the order has been completed. If excess material is to be returned after order completion, send the request to Versteel Customer Service prior to acknowledge ship date. It is the customer's responsibility to arrange for the return of the material "freight collect."

COM Requiring Application Test

If an application test is required for your selected COM, send test sample material along with the following:

- 1- Name and return address
- 2- Chair model selected
- 3- Sketch showing special requirements for the positioning of the material's pattern on the chair seat and chair back, if special considerations are required.

NOTE ALL UPHOLSTERIES ARE CUT UP THE ROLL TO MAXIMIZE YIELD AND WEAR PERFORMANCE

Ship COM to: **Versteel**
2332 Cathy Lane
Jasper, IN 47546

COM must be shipped to the factory with transportation costs "prepaid." If material is considered defective or unusable, it will be returned "transportation collect."

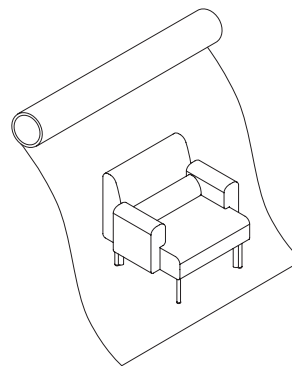

For standard lead time orders, tag fabric with purchase order number and identify with project number if possible.

Application of Directional Fabrics

Due to the upholstering process, some fabrics not considered directional by the supplier may be considered directional by Versteel.

All COM's are cut "up the roll" unless otherwise directed by the customer (see illustration below).

EXAMPLE PATTERN CUT "UP THE ROLL"

If special cutting or upholstery application is required, you must indicate requirement at time of order entry.

Patterned COM Additional Yardage Guide

Use the guide below to aid in ordering the appropriate COM fabric when needing to match a pattern with a repeat. To use this guide, add the vertical and horizontal repeats together (e.g. a 5" vertical repeat plus an 11" horizontal repeat gives a 16" total). Then find the appropriate entry on the chart, and increase the yardage estimate by the percentage indicated.

For example: The yardage estimate is 8 yards of 54" wide fabric and the pattern has a repeat of 11" horizontal and 5" vertical. Add up the repeats (11" + 5" = 16") and find the appropriate entry – 15% in this example. Fifteen percent more fabric is required to match the pattern. 8 yards plus and extra 15% is 9.2 yards.

Fabric Width	Plain Fabric	3" - 14" Repeat	15" - 19" Repeat	20" - 27" Repeat	28" - 36" Repeat	37" - 45" Repeat	46" - 54" Repeat
54"	0%	10%	15%	20%	25%	30%	35%
50" - 52"	10%	20%	25%	30%	35%	40%	45%

Decorative Patterns

Yardage requirements are greatly affected by the size of the repeat and the print or pattern of the material. Versteel cuts all seating patterns with aesthetic concerns in mind for high quality and consistency. Refer to the COM listing for the yardage required for pattern repeat.

Repeats and Striped Fabrics

The geometry of curved products prevents repeats and stripes from matching at the seams.

California Technical Bulletin 133 (CAL 133)

Contact Versteel Customer Service for CAL 133 Requirements.

Compliance

Compliance has been established through third-party testing of the products. All chairs that meet CAL 133 standards will have a label attached to the underside of the seat. To maintain compliance, the label must not be removed from the product.

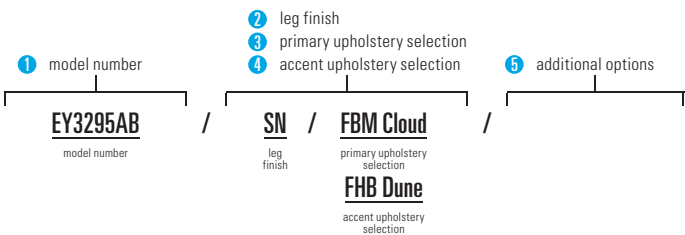

Elly COM Yardage Requirements

COM yardage requirements are calculated based on a material width of 54" and a repeat of 2" or less. For material less than 54" wide, contact Versteel for yardage requirements. Use the chart below as a guide to calculate your COM yardage. For quantities greater than five (5), contact Versteel Customer Service for calculation of COM yardage by chair model.

Transparent Powder Coats (indicated by ♦)

Please note that the transparent characteristics of these powders allow all natural welds and textures inherent to raw steel to be visible.

Premium Powder Coats (indicated by P)

Versteel's premium process uses specially formulated powder coats for a truly unique color palette.

**Powder Coat Alternative
Call for quotation**

Specify code **OPA** (Powder Coat Alternative), add cost from Versteel quotation

Powder Coat Alternatives are available from Versteel. The entire RAL color reference along with hundreds of other colors and finishes are available.

For Powder Coat Alternative matching, you must supply a color reference sample or an RAL number. Versteel will review the sample for possible existing colors available and send a sample for customer approval. If no color match exists, a custom match can be developed. Call Versteel Customer Service for associated upcharges on custom color development.

NOTE: CUSTOM COLOR MATCHING APPROVALS MAY AFFECT STANDARD PRODUCTION SCHEDULES

Chrome

Versteel applies a deep luster nickel chrome plated finish. Chrome is the most durable finish available. Specify Chrome and add \$120.00 list each.

Chrome..... CH

Nickel

Versteel applies a nickel plated finish with a clear coat applied for durability. Specify Nickel and add \$163.00 list each.

Nickel..... NI

Laminates

Versteel’s standard offering of laminates includes over 900 laminates from Wilsonart, Formica, Nevamar and Pionite.

Laminate manufacturers change standard offerings frequently, and it is possible that a standard product can become unavailable. Versteel cannot be responsible for any inconvenience this may cause.

Veneer

Elly tables are available with standard Ash, Cherry, Maple, and Walnut veneers.

Standard Veneer Codes

Ash	A
Cherry	C
Maple	M
Walnut	W

Veneer Finish Codes

Natural Walnut	NA

Stain Finish Match

\$734 / one time per finish, per order

Specify code **OSM** (Stain Finish Match), add \$734.00 list per finish, per order

Alternative Stain Finishes are available for veneer and wood edged tops.

For Stain Finish Matching, you must supply a 4" x 4" finish color and grain reference sample. An expertly finish matched sample will be provided for customer approval.

NOTE CUSTOM COLOR MATCHING APPROVALS MAY AFFECT STANDARD PRODUCTION SCHEDULES

Wood Finish Alternatives

For veneer tables with wood finish alternative fill levels, contact Versteel Customer Service. Finish fill levels of semi-filled or full-filled are available on most species (oak veneer’s natural pore grain does not allow the application of full-fill finish).

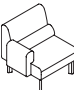

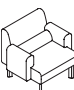

NOTE WOOD FINISH ALTERNATIVE APPROVAL MAY AFFECT STANDARD PRODUCTION SCHEDULES

The background of the entire page is a solid purple color. Overlaid on this background is a complex, abstract pattern of thin white lines. These lines form various geometric shapes, including rectangles, triangles, and curved arcs, some of which are nested or overlapping. The pattern is most dense on the right side of the page and fades towards the left.

VERSTEEL

All prices are delivered list price effective with date printed on cover and supersedes all other published price lists.

VERSTEEL reserves the right to change prices or specifications without prior notice. Orders are accepted subject to price prevailing at time of shipment.
