Sleek and flexible.

Socius blends comfort and care to support the unique considerations of healing and communal spaces. Accommodate each individual with single, bariatric, easy access and tandem seating. Reflect surrounding aesthetics with a wide range of armcap and frame colors - from tranquil palettes to vibrant, youthful vibes.

Therapeutic potential of thoughtful design.

Socius elevates the seating experience with a gentle flex back and an ergonomic lumbar support. The streamlined frame is crafted from a continuous steel tube, providing strength and stability. Practical features include clean-out and wall saver design. Specify with or without pliable armcaps.
