VERSTEEL

A special note from

Scott Schwinghammer
President + CEO

At Versteel, we believe how a product is made is just as important as the product itself. It's an accumulation of the care, intention, and expertise that goes into building it. That's why we manufacture our furniture in Southern Indiana, where we have full visibility into every step of the process. From American steel to local supply chains, we rely on trusted materials and an exceptional team to deliver lasting quality.

When I spend time in our facilities, I'm reminded of what really sets Versteel apart: It's the people. The welders with a practiced eye, the builders who fine-tune every joint, the powder coaters who finish each piece with precision. These are the individuals who bring our products to life. Their skill, pride, and attention to detail are behind everything we make.

Yes, we're proud of our versatility, our integrity, and our design. More than anything, though, we're proud of our people. They carry forward our values and ensure that every product that leaves our doors is built to serve, built to last.

Thank you for supporting American manufacturing, and for trusting in the people who bring our furniture to life every day.

Our People are our Heart and Soul.

Shipping

Normal delivery is on a dock-to-dock basis, F.O.B. Versteel's factory in Jasper, Indiana. Special requests such as inside delivery, "call before," etc. should be noted on the customer's purchase order and are subject to additional charges. See freight program on page 51 for shipping charges.

Tables are shipped disassembled unless Assembled Folding Table option is selected; tops and base(s) ship simultaneously. ODIS, TIM and tilt-fold tables are shipped assembled. TIM fixed tables are cartoned separately.

Orders shipping outside of the contiguous 48 United States will have shipping quoted as a separate item.

FOB Origin, Freight Prepaid

Versteel
2332 Cathy Lane
Jasper, IN 47546

Shipping Damage Claims or Shortages

Legal title of merchandise passes to the buyer upon acceptance of the carrier. All cartons must be carefully inspected upon delivery. Visibly damaged product should not be accepted from the carrier until the damage is noted on delivery receipt. Versteel will not accept responsibility if the delivery receipt is signed as "clear". Retain any damaged goods and take photos for claim filing purposes. Details of visible damage should be noted on the delivery receipt. Shortages must be noted on the bill of lading prior to accepting the shipment.

Concealed Damage

If concealed damage is discovered, the receiver must notify the freight carrier within 5 business days from receipt of the product(s). For claim consideration the receiver must request an inspection of the damaged goods by the carrier. All damaged product and packaging should be retained and photos taken for claim filing use. Inspections must occur at the original delivery point to be considered for claim submittal. Reports of concealed damage after five business days will not be considered.

Partial Shipments

Versteel makes every attempt to ship orders complete and on schedule. However, we reserve the right to make partial shipments as product is ready, in an effort to get your order to you as quickly as possible. Invoices covering these shipments are to be paid as they become due.

Returns

No return merchandise will be accepted without Versteel's written consent and shipping instructions. Unauthorized returns will not be accepted.

Terms

Terms are 1%, 10 days, net 30 days from date of invoice.

Force Majeure

Versteel shall be excused from the duty to render timely performance of any obligation hereunder if such inability to perform is caused directly or indirectly by act of God, flood, war, riot, fire, accident, explosion, strikes or labor trouble, act of government, delay or default by a subcontractor or supplier of materials or services, transportation difficulty or delay, the existence of any circumstances making performance commercially impracticable or any other cause beyond Versteel's reasonable control. Buyer's obligation to make any payment due and owing to Versteel shall not be excused for any reason whatsoever.

Oversized Shipping Fee

Orders received for items or tops greater than 94" in length will receive a \$250 net oversized shipping fee per order. Fee not applied to orders with multi-piece tops where each section is less than 94" in length.

Warranty

All table and seating products manufactured by Versteel are guaranteed by a Lifetime Warranty against defects in materials and workmanship from the date of purchase. Products manufactured/adapted for use in a Pavilion or Pop-Up setting are covered under a three (3) year warranty against defects in materials and workmanship from date of purchase.

Electrical items manufactured by Versteel are guaranteed against defect for a period of one (1) year from date of purchase.

Electrical items not manufactured by Versteel are covered by the manufacturers under their specified warranty.

Consumables such as gas cylinders, casters, and glides are covered for a period of one (1) year. Adjustable height bases with crank and counterbalanced components are covered under a two (2) year warranty. Versteel will not cover labor costs associated with replacing the casters or glides.

Wood veneer is warranted for a period of ten (10) years. Butcher block is covered under a one (1) year warranty. Natural variations in grain, color, or texture of wood should not be construed as defects under this warranty.

Versteel will replace or repair (at our discretion) without cost to our customers any item manufactured by Versteel found to be defective as a result of defective material or workmanship and is still owned by the original purchaser. We will not, however, repair any item which is not properly installed, maintained, is abused, or subject to any use other than that which was originally intended. Warranty does not cover normal wear and tear of the product, which is expected over the course of ownership. In no event shall liability under this warranty exceed the original purchase price.

Pavilion and Pop-Up products must be covered and out of direct sunlight. Use location must be a minimum of 100 miles from saltwater.

Warranty on plastic laminates, solid surface, non-standard materials, and upholstery is not covered by Versteel but is covered by each manufacturer under their specified warranty only. All foams, fabrics, and vinyls are prone to stretch and loosen over time through normal use. This natural effect, called puddling, is covered for a period of one (1) year from the date of purchase.

There are no other warranties expressed or implied.

Care of Corian® Surfaces

Clean regularly with a cloth or sponge wrung out in warm soapy water. You can also use ammonia-based cleaners or commercial cleaners recommended for use on Corian® surfaces. Wipe up any water spills immediately so as not to leave a film that makes the finish look blotchy.

Care of Powder Coat and Nickel

Clean with a mild soap solution and rinse with clean, clear water. Wipe the entire surface and follow with a clean, dry cloth to buff dry.

Care of Chrome Bases

Clean with a wet cloth or window cleaner. For scuff marks or heavy soiling, a non-abrasive automotive chrome polish can be applied as directed.

Objective

It is the objective of Versteel to adhere to Federal, State and local laws and codes, ordinances and regulations as may be applicable to control environmental risks, prevent harm to the public health and welfare, and to preserve our natural resources. Versteel acknowledges the necessity of commitment and hereby commits its resources of all levels of its management and all employees of the company to accomplish this objective.

Policy Statement

Each Versteel facility has the responsibility to:

Develop environmental policies which implement regulatory compliance requirements and provide management guidance and support with applicable environmental laws.

Train and motivate personnel to work in an environmentally acceptable manner and to understand and comply with government regulations within the scope of Versteel operations.

Communicate the importance of personal responsibility protection to all employees through formal training. Each employee will be aware of the environmental regulations applicable to their job functions, including limitations and functional restrictions of permits, spill control, emergency response actions, proper waste handling procedures, etc.

Communicate and continually assess relevant environmental developments on operations of the facilities and personnel.

Require sub-contractors or contractors (third parties working for, with, or on behalf of Versteel) to follow Versteel's environmental procedures while working within their facilities.

Make responsible personnel available at all times to carry out environmental procedures, especially under emergency situations.

Apply sound management practices and operating procedures.

Implement appropriate control technologies and process guidelines for preventive and corrective maintenance systems to minimize actual and potential environmental harm and exposures.

Communicate effectively with government and the public regarding serious environmental incidents should they ever occur.

Minimize the generation, emission or discharge of waste, and harmful or regulated substances and pollutants from operations to the extent most practical with laws and regulations. Ensure proper disposal of all waste.

Substitute materials or process to allow the use of less hazardous substances where feasible.

Secure and maintain all environmental permits required for operation. Maintain up-to-date files for all environmental reporting requirements and make this information available to easy access at each operation facility.

Evaluate the causes behind any serious environmental incidents and establish procedures to avoid recurrence.

There is a sincere effort at Versteel to maintain our responsibility to the environment and to our employees. We are mindful of the effectiveness and improvements required to ensure environmentally safe conditions and to preserve our natural resources.

We pride ourselves on exceeding the standards set forth by federal, state and local codes.

Our electroplating plant consistently earns local annual environmental awards, and all of our products have met the requirements for Intertek Green Leaf VOC/VOC+ certification.

At Versteel, we feel it is our responsibility as a manufacturer to build products in a manner that promotes a safe and healthy environment for everyone. We maintain detailed information regarding the environmental impact of all Versteel products. If you have questions regarding our environmental policy or would like more information, please contact Versteel Customer Service at 800.876.2120.

The Versteel seating, tables, casegoods and components listed in this catalog may be covered in whole or in part by the following active or pending patents and other patents pending in the United States or Canada:

U.S. Active or Pending Patents: 7,849,804; 7,850,241; 8,122,837; 8,297,208; 8,869,715; 9800037; 10,213,015; 11,432,645; 12,331,768

U.S. Design Patents: D688,075; D786591; D792,718; D862,102; D948,259.

Canada Active or Pending Patents: 2,579,494; 2,600,629; 2,707,148; 2,731,261; 2,760,476; 2,922,333; 3,113,625.

Canadian Design Patents: 176,530; 198,325.

Trademarks TM [®]

Versteel and the Versteel logo are registered trademarks of Ditto Sales, Inc. dba Versteel in the United States, United Kingdom and Canada. Other registered trademarks of Versteel include: Aerie, Arvo, Brattice, Cat's Paw, Chela and Chela designs, Curvare, Elements Conference, Equip, GeoMetrix, Henri, Immix, Interplay, Looksee, ODIS, Paces, Power Bay, Powerlink, Quanta, Rover, Seating in Motion, SIMON, Studio Steel, Tables in Motion, The Maker Project, Thea, TIM, TOD, Training on Demand, Troupe, Tuscany, Uno, Vela, Versteel seating logo, Versteel table logo, Wavelink and Wavelink logo, Wordplay, Zayn, Zuri.

BIFMA

All Versteel products are constructed to pass the relevant ANSI/BIFMA standards. For more detailed specifications by series and base style, contact Versteel Customer Service at 800.876.2120.

Information regarding warranty, terms and conditions, shipping, care and maintenance, etc. can be found in the beginning pages of this price list.

For further information about any Versteel product, please visit our website or contact a Versteel Customer Service Representative at 800.876.2020 or 813.634.2120.

All other trademarks and registered trademarks are the property of their respective owners.

Any rights not expressly granted herein are reserved.

* Percentage rates for **Alaska** and **Hawaii** are to Port of Exit in the 48 contiguous states.

Freight Program

Normal delivery is on a dock-to-dock basis, F.O.B. Versteel's factory in Jasper, Indiana. Orders within the 48 contiguous United States will be assessed a freight charge based on a percentage of the total list price, or a flat rate of \$300, whichever is greater. Using the zone map above apply the appropriate percentage to the total list to determine freight cost. Special requests such as inside delivery, "call before," etc. should be noted on the customer's purchase order and are subject to additional charges. Contact Versteel Customer Service regarding freight quotes for shipments to Canada, a minimum charge of \$400 will apply.

Oversize Shipping Fee

Orders received for items or tops greater than 94" in length will receive a \$250 net oversized shipping fee per order. Fee not applied to orders with multi-piece tops where each section is less than 94" in length.

All prices are delivered list price effective with date printed on cover and supersedes all other published price lists. Versteel reserves the right to change prices or specifications without prior notice. Orders are accepted subject to price prevailing at time of shipment.
