VERSTEEL

Features

GeoMetrix is available in square, rectangle, rhombus and triangle shapes in five different heights. The durability and easy cleanability of Corian® make GeoMetrix the perfect occasional table for any location. Electrical options are available in the top or on the side of the unit. Nylon hexagon glides with 1" adjustment.

Corian® Construction

The standard construction is comprised of .75" particleboard bonded to the inside of .5" thick sheets of non-porous Corian® surface material.

BIFMA

All Versteel products are constructed to pass the relevant ANSI/BIFMA standards. For more detailed specifications by series and base style, contact Versteel Customer Service at 800.876.2120.

Additional information regarding warranty, terms and conditions, shipping, care and maintenance, etc. can be found in the All Tables price list

Care of Corian® Surfaces

Clean regularly with a cloth or sponge wrung out in warm soapy water. You can also use ammonia-based cleaners or commercial cleaners recommended for use on Corian® surfaces. Wipe up any water spills immediately so as not to leave a film that makes the finish look blotchy.

To Order, Specify...

- 1 Model Number
- 2 Corian® Color
- 3 Additional Options

An **OCGM2024SQ** is a GeoMetrix Occasional series 24" square table, 20" tall.
