VERSTEEL

A special note from

Scott Schwinghammer
President + CEO

At Versteel, we believe how a product is made is just as important as the product itself. It's an accumulation of the care, intention, and expertise that goes into building it. That's why we manufacture our furniture in Southern Indiana, where we have full visibility into every step of the process. From American steel to local supply chains, we rely on trusted materials and an exceptional team to deliver lasting quality.

When I spend time in our facilities, I'm reminded of what really sets Versteel apart: It's the people. The welders with a practiced eye, the builders who fine-tune every joint, the powder coaters who finish each piece with precision. These are the individuals who bring our products to life. Their skill, pride, and attention to detail are behind everything we make.

Yes, we're proud of our versatility, our integrity, and our design. More than anything, though, we're proud of our people. They carry forward our values and ensure that every product that leaves our doors is built to serve, built to last.

Thank you for supporting American manufacturing, and for trusting in the people who bring our furniture to life every day.

Our People are our Heart and Soul.

Prices

All prices are list price, effective with date printed on cover, and supersedes all other published price lists. Orders within the 48 contiguous United States will be assessed a freight charge based on a percentage of the total list price, or a flat rate of \$300, whichever is greater. A minimum charge of \$400 will apply to all shipments to Canada. Fees will be calculated using the zone map located on page 51. Normal delivery is on a dock-to-dock basis. Additional charges may apply on special requests noted on the customer's purchase order such as inside delivery, "call before," etc. Versteel reserves the right to change prices, shipping fees, or specifications without prior notice. Orders are accepted subject to price prevailing at time of shipment.

Acknowledgement

Orders are accepted, manufactured, and invoiced in accordance with the acknowledgement. Notify Versteel immediately of any discrepancies. Acknowledged orders may not be cancelled or modified without written consent from Versteel.

Orders

All orders must be received in writing, accompanied by final material and finish specifications for order entry.

Contact Versteel

Email contact@versteel.com
Telephone 800 876 2120
812 634 2120

Mailing Address

Versteel
2332 Cathy Lane
Jasper IN 47546

Telephone orders must be confirmed in writing within 24 hours, marked "Confirmation." Duplicate orders not marked "Confirmation" are the responsibility of the customer.

Credit

You are requested to enclose one bank reference and three trade references with your initial order.

Credit Cards

Versteel accepts Mastercard, Visa & AMEX credit card payment for invoiced sales. Credit card information must be presented along with the Sales Order (with a signed Credit Card Authorization Form attached). There is no cash discount extended to credit card orders. Credit cards will be charged at time of shipment. A processing fee will be applied for all credit card purchases. Processing fee will not be applied to GSA or contract orders. Versteel will not accept credit cards for payment of account balances. Credit card payment will not be accepted on orders over \$30,000.00.

Changes or Cancellation

Any change or cancellation to an order must be submitted in writing and confirmed by Versteel Customer Service before the change or cancellation is effective. Due to short lead times, any change or cancellation may result in charges if materials have entered the production process.

Packaging

Versteel has no crate or packaging charge on standard products. All items are packaged to ensure delivery in excellent condition under normal handling by freight personnel. Versteel reserves the right to bulk pack or skid load tops in large quantities.

Shipping Schedule

<i>Standard Items</i>	
Tables + Benches	5 WEEKS
Chair + Stools	3-4 WEEKS
Whiteboard	5 WEEKS
Lighting	5 WEEKS
Quickship Products	10 WORKING DAYS

Contact Versteel for special lead time requests.

Shipping

Normal delivery is on a dock-to-dock basis, F.O.B. Versteel's factory in Jasper, Indiana. Special requests such as inside delivery, "call before," etc. should be noted on the customer's purchase order and are subject to additional charges. See freight program on page 51 for shipping charges.

Orders shipping outside of the contiguous 48 United States will have shipping quoted as a separate item.

FOB Origin, Freight Prepaid

Versteel
2332 Cathy Lane
Jasper, IN 47546

Shipping Damage Claims or Shortages

Legal title of merchandise passes to the buyer upon acceptance of the carrier. All cartons must be carefully inspected upon delivery. Visibly damaged product should not be accepted from the carrier until the damage is noted on delivery receipt. Versteel will not accept responsibility if the delivery receipt is signed as "clear". Retain any damaged goods and take photos for claim filing purposes. Details of visible damage should be noted on the delivery receipt. Shortages must be noted on the bill of lading prior to accepting the shipment.

Concealed Damage

If concealed damage is discovered, the receiver must notify the freight carrier within 5 business days from receipt of the product(s). For claim consideration the receiver must request an inspection of the damaged goods by the carrier. All damaged product and packaging should be retained and photos taken for claim filing use. Inspections must occur at the original delivery point to be considered for claim submittal. Reports of concealed damage after five business days will not be considered.

Partial Shipments

Versteel makes every attempt to ship orders complete and on schedule. However, we reserve the right to make partial shipments as product is ready, in an effort to get your order to you as quickly as possible. Invoices covering these shipments are to be paid as they become due.

Returns

No return merchandise will be accepted without Versteel's written consent and shipping instructions. Unauthorized returns will not be accepted.

Terms

Terms are 1%, 10 days, net 30 days from date of invoice.

Force Majeure

Versteel shall be excused from the duty to render timely performance of any obligation hereunder if such inability to perform is caused directly or indirectly by act of God, flood, war, riot, fire, accident, explosion, strikes or labor trouble, act of government, delay or default by a subcontractor or supplier of materials or services, transportation difficulty or delay, the existence of any circumstances making performance commercially impracticable or any other cause beyond Versteel's reasonable control. Buyer's obligation to make any payment due and owing to Versteel shall not be excused for any reason whatsoever.

Oversized Shipping Fee

Orders received for items or tops greater than 94" in length will receive a \$250 net oversized shipping fee per order. Fee not applied to orders with multi-piece tops where each section is less than 94" in length.

Warranty

All table and seating products manufactured by Versteel are guaranteed by a Lifetime Warranty against defects in materials and workmanship from the date of purchase. Products manufactured/adapted for use in a Pavilion or Pop-Up setting are covered under a three (3) year warranty against defects in materials and workmanship from date of purchase.

Electrical items manufactured by Versteel are guaranteed against defect for a period of one (1) year from date of purchase.

Electrical items not manufactured by Versteel are covered by the manufacturers under their specified warranty.

Consumables such as gas cylinders, casters, and glides are covered for a period of one (1) year. Adjustable height bases with crank and counterbalanced components are covered under a two (2) year warranty. Versteel will not cover labor costs associated with replacing the casters or glides.

Wood veneer is warranted for a period of ten (10) years. Butcher block is covered under a one (1) year warranty. Natural variations in grain, color, or texture of wood should not be construed as defects under this warranty.

Versteel will replace or repair (at our discretion) without cost to our customers any item manufactured by Versteel found to be defective as a result of defective material or workmanship and is still owned by the original purchaser. We will not, however, repair any item which is not properly installed, maintained, is abused, or subject to any use other than that which was originally intended. Warranty does not cover normal wear and tear of the product, which is expected over the course of ownership. In no event shall liability under this warranty exceed the original purchase price.

Pavilion and Pop-Up products must be covered and out of direct sunlight. Use location must be a minimum of 100 miles from saltwater.

Warranty on plastic laminates, solid surface, non-standard materials, and upholstery is not covered by Versteel but is covered by each manufacturer under their specified warranty only. All foams, fabrics, and vinyls are prone to stretch and loosen over time through normal use. This natural effect, called puddling, is covered for a period of one (1) year from the date of purchase.

There are no other warranties expressed or implied.

Care of Butcher Block Tops

Clean all surfaces frequently with water-dampened soft cloth, moving the cloth with the grain direction. Quickly buff dry. Immediately remove any liquids that come in contact with wood surfaces using a blotting action to absorb liquid. Lift objects to move them. Never pull them across the finished surface.

Avoid exposing furniture to extreme heat and cold or to wide humidity variances. Avoid exposing furniture to strong sunlight. Do not use soaps, commercial cleaners or harsh solvents (nail polish remover, acetates, etc.) as they will cause finish deterioration.

Care of Laminate Surfaces, PVC Edges and Urethane

Clean with a mild soap solution and rinse with clean, clear water. Wipe the entire surface, moving with the pattern and follow with a clean, dry soft cloth.

Care of Stainless Steel Surfaces

Clean with a soft cloth and wipe in the direction of the steel 'grain' to clean spills. Mild soaps and hot water are ideal for regular cleaning.

Care of Phenolic Resin Surfaces

Clean with a soft cloth and non-abrasive household cleaning products. Water and soap solutions can be used to remove marring. Phenolic resin tops respond well to steam cleaning.

Care of Powder Coat

Clean with a mild soap solution and rinse with clean, clear water. Wipe the entire surface and follow with a clean, dry cloth to buff dry.

Objective

It is the objective of Versteel to adhere to Federal, State and local laws and codes, ordinances and regulations as may be applicable to control environmental risks, prevent harm to the public health and welfare, and to preserve our natural resources. Versteel acknowledges the necessity of commitment and hereby commits its resources of all levels of its management and all employees of the company to accomplish this objective.

Policy Statement

Each Versteel facility has the responsibility to:

Develop environmental policies which implement regulatory compliance requirements and provide management guidance and support with applicable environmental laws.

Train and motivate personnel to work in an environmentally acceptable manner and to understand and comply with government regulations within the scope of Versteel operations.

Communicate the importance of personal responsibility protection to all employees through formal training. Each employee will be aware of the environmental regulations applicable to their job functions, including limitations and functional restrictions of permits, spill control, emergency response actions, proper waste handling procedures, etc.

Communicate and continually assess relevant environmental developments on operations of the facilities and personnel.

Require sub-contractors or contractors (third parties working for, with, or on behalf of Versteel) to follow Versteel's environmental procedures while working within their facilities.

Make responsible personnel available at all times to carry out environmental procedures, especially under emergency situations.

Apply sound management practices and operating procedures.

Implement appropriate control technologies and process guidelines for preventive and corrective maintenance systems to minimize actual and potential environmental harm and exposures.

Communicate effectively with government and the public regarding serious environmental incidents should they ever occur.

Minimize the generation, emission or discharge of waste, and harmful or regulated substances and pollutants from operations to the extent most practical with laws and regulations. Ensure proper disposal of all waste.

Substitute materials or process to allow the use of less hazardous substances where feasible.

Secure and maintain all environmental permits required for operation. Maintain up-to-date files for all environmental reporting requirements and make this information available to easy access at each operation facility.

Evaluate the causes behind any serious environmental incidents and establish procedures to avoid recurrence.

There is a sincere effort at Versteel to maintain our responsibility to the environment and to our employees. We are mindful of the effectiveness and improvements required to ensure environmentally safe conditions and to preserve our natural resources.

We pride ourselves on exceeding the standards set forth by federal, state and local codes.

Our electroplating plant consistently earns local annual environmental awards, and all of our products have met the requirements for Intertek Green Leaf VOC/VOC+ certification.

At Versteel, we feel it is our responsibility as a manufacturer to build products in a manner that promotes a safe and healthy environment for everyone. We maintain detailed information regarding the environmental impact of all Versteel products. If you have questions regarding our environmental policy or would like more information, please contact Versteel Customer Service at 800.876.2120.

The Maker Project is a family of simple, robust products that includes tables, seating, lighting and a whiteboard. Each item is hand crafted to be strong and durable with urban aesthetics. The Maker Project products are standard with Versteel's trademarked Studio Steel® process, which reveals the telltale signs of fabrication and individualized craftsmanship.

Table Top Specifications

The Maker Project table tops are available in various shapes and sizes. The tops are 1¾" thick and available in maple butcher block, laminate with PVC edge, stainless steel, or phenolic resin. Tops are shipped pre-drilled for field installation of bases and accessories.

Base Specifications

Maker Utility and Maker A tables are available in 29", 36", and 42" table heights. Three adjustable height base options are available on the 24" to 48" wide and 48" to 96" long, 29" high Maker Utility tables (see Options page). Occasional tables are standard at 16" tall. Maker Utility tables are available with heavy duty 6" casters or glides. Maker Occasional tables are available with 3" heavy duty casters or glides. Maker A tables are standard with glides. Optional lower shelf is also available on the Maker Utility tables.

Maker Utility Stools Specifications

The Maker Project utility stools have 1" thick, 14" wide seats available in maple butcher block, urethane, or with an upholstered seat pad. Seats can be fixed or adjustable height. Stools frames are available in 18", 24", or 29" heights with ABS knock in glides. The adjustable height stools have a maximum height adjustment of 1½".

Maker Bench Specifications

The Maker Project Utility and Maker A benches are available with a maple butcher block seat at various sizes. Upholstered seat cushions may be ordered for the Maker Utility bench. If desired the Maker A bench may be specified with a fully upholstered seat. All benches have a seat height of 18" and come standard with glides.

Maker Chair + Stool Specifications

The Maker Project chair and stools are available with a maple butcher block back with either a maple butcher block seat or upholstered seat pad. The ¾" square tube frame has ABS knock in glides. The chair's seat height is 18" while the stools are available with 24" or 29" seat height.

Lighting

Floor lamp, clamp on light and light bar are shipped with LED bulbs. The Maple hardwood accent on the end of the horizontal tube is standard with either the Clear Gloss or Clear Matte finish. The Alternate Wood Finishes are available with no upcharge.

Whiteboard

To complete your maker space, Maker Whiteboard can be added to your specification. The whiteboard features 4" heavy duty casters, two-sided dry erase writing surface with marker holder and shelving. The Maker Project Whiteboard is available in all Versteel powder coat colors.

Butcher Block, Standard Core Construction

The standard top construction consists of kiln-dried, uniform-width staves face-glued in a continuous length pattern with square corners.

Laminate, Standard Core Construction

The standard top construction consists of 45-50 lb particleboard, surfaced with a high pressure laminate or plain sliced veneer face. A backer sheet is laminated to the underside of the top. Tops are shipped with understructure attached.

PVC Flat Edge

Edge of 2mm PVC hot melt banded to the top with 1/8" radius at the top and bottom. Available with 1 1/2" radius corners or square corners.

Offered in twenty-one (21) standard colors.

Stainless Steel, Standard Core Construction

The standard top construction consists of 16 gauge, 304 #4 finish stainless steel adhered to a particleboard sub-top with downward formed edges and laser welded square corners.

Phenolic Resin, Standard Core Construction

The standard top construction consists of 1" thick phenolic resin adhered to 3/4" thick MDF sub-top with 1/8" beveled edges and square corners.

Perforated Metal, Standard Core Construction

The standard shelf construction consists of a 1 1/2" x 2" x 1/8" A36 angle iron frame turned up to create a lip for containment with a diamond perforated metal shelf insert. Available in any of Versteel's power coat colors.

Maker Product Weights

The product weight listed in the pricing pages are for butcher block tops for tables and perforated metal for lower shelves. See the chart below to calculate the product weight for other materials. For more precise weight calculations, please contact Versteel customer service.

Maker Product Weights	Multiplier
Tables	
Laminate	0.95
Stainless Steel	1.15
Phenolic Resin	1.30
Lower Shelf	
Laminate	1.20
Stainless Steel	1.47

Quickship Program

Available for select products in the The Maker Project seating line.

The Versteel Quickship Program consists of up to 50 tables, 25 tables with modesty panels or 100 chairs in 10 working days from time of order (received by 12pm EST).

Orders must be accompanied by final material and finish specifications for order entry. They must be clearly marked "Quickship" and consist of products from the program. Quickship orders cannot be changed or cancelled, and credit approval must be acquired within 24 hours.

Shipping Schedule

Standard Items

Tables + Benches	5 WEEKS
Chair + Stools	3-4 WEEKS
Whiteboard	5 WEEKS
Lighting	5 WEEKS
Quickship Products	10 WORKING DAYS

Contact Versteel Customer Service for special lead time requests.

BIFMA

All Versteel products are constructed to pass the relevant ANSI/BIFMA standards. For more detailed specifications by series and base style, contact Versteel Customer Service at 800.876.2120.

Standard Versteel Upholstery

Standard Versteel Upholstery offers a range of materials, from fabrics in a variety of colors and textures to vinyls for soil resistance. Please refer to Versteel's fabric cards or the "Materials + Finishes" section of our website for information.

Grade-in Upholstery

Versteel has coordinated with upholstery manufacturers to simplify your order process. Many of the manufacturers' offerings have been pre-approved for application on Versteel Seating.

Contact Versteel Customer Service with your selected fabric choice to be graded in. You will be supplied with the appropriate grade-in designator. On your purchase order, complete the information with the pattern name, color description and grade-in designator, and Versteel will take it from there.

Customer's Own Material

Customer's Own Materials (COM's) are not an issue on The Maker Project. Many COM's are pre-approved for application on Versteel Seating. Call Versteel Customer Service with your COM selection to determine if it has been pre-approved. If your selection has not been pre-approved, reference the "Receiving COM Approval" section below.

Receiving COM Approval

Not all materials are suitable for upholstery on The Maker Project. A 12" x 12" memo sample must be supplied for approval before a COM material is accepted for an order. If the material is directional in pattern or weave, the pattern repeat (in inches) in both directions or the weave direction must be supplied.

Excess COM

Versteel will not store excess COM for more than 30 days after the order has been completed. If excess material is to be returned after order completion, send the request to Versteel Customer Service prior to acknowledged ship date. It is the customer's responsibility to arrange for the return of the material "freight collect."

COM Requiring Application Test

If an application test is required for your selected COM, send test sample material along with the following.

1. Name and return address
2. Model selected
3. Sketch showing special requirements for the positioning of the materials' pattern on the seat and ledge, if special considerations are required.

NOTE ALL UPHOLSTERIES ARE CUT UP THE ROLL TO MAXIMIZE YIELD AND WEAR PERFORMANCE

Ship COM to:

Versteel
 2332 Cathy Lane
 Jasper, IN 47546

COM must be shipped to the factory with transportation costs "prepaid." If material is considered defective or unusable, it will be returned "transportation collect."

For standard lead time orders, tag fabric with purchase order number and identify with project number if possible.

Application of Directional Fabrics

Due to the upholstering process, some fabrics not considered directional by the supplier may be considered directional by Versteel.

All COM's are cut "up the roll" unless otherwise directed by the customer (see illustration below).

EXAMPLE PATTERN CUT UP THE ROLL

If special cutting or upholstery application is required, you must indicate requirement at time of order entry.

Maker COM Yardage Requirements

COM yardage requirements are calculated for chairs and stools based on a material width of 54" and a repeat of 2" or less. For material less than 54" wide, contact Versteel for yardage requirements. Use the chart below as a guide to calculate your COM yardage. For quantities greater than 20 chairs or stools, contact Versteel Customer Service for calculation of COM yardage by model.

Quantity of Units	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20

Patterned COM Additional Yardage Guide

Use the guide below to aid in ordering the appropriate COM fabric when needing to match a pattern with a repeat. To use this guide, add the vertical and horizontal repeats together (e.g. a 5" vertical repeat plus an 11" horizontal repeat gives a 16" total). Then find the appropriate entry on the chart, and increase the yardage estimate by the percentage indicated.

For example: The yardage estimate is 8 yards of 54" wide fabric and the pattern has a repeat of 11" horizontal and 5" vertical. Add up the repeats (11" + 5" = 16") and find the appropriate entry - 15% in this example. Fifteen percent more fabric is required to match the pattern. 8 yards plus an extra 15% is 9.2 yards.

Decorative Patterns

Yardage requirements are greatly affected by the size of the repeat and the print or pattern of the material. Versteel cuts all seating patterns with aesthetic concerns in mind for high quality and consistency. Refer to the COM listing for the yardage required for pattern repeat.

Fabric Width	Plain Fabric	3" - 14" Repeat	15" - 19" Repeat	20" - 27" Repeat	28" - 36" Repeat	37" - 45" Repeat	46" - 54" Repeat
54"	0%	10%	15%	20%	25%	30%	35%
50" - 52"	10%	20%	25%	30%	35%	40%	45%

Finish Reference & Samples

For finish color reference, please refer to our website. Contact Versteel Customer Service to receive actual color samples for color matches and final color approval.

Powder Coat Alternative**Call for quotation**

Specify code **OPA** (*Powder Coat Alternative*), add cost from Versteel quotation

Powder Coat Alternative is available from Versteel. The entire RAL color reference along with hundreds of other color and finishes are available.

For Powder Coat Alternative matching, you must supply a color reference sample, or an RAL number. Versteel will review the sample for possible existing colors available and send a sample for customer approval. If no color match exists a custom match can be developed. Call Versteel Customer Service for associated upcharges on custom color development.

Stain Finish Match**\$996 / one time charge per finish, per order**

Specify code **OSM** (*Stain Finish Match*), add \$996.00 list per finish, per order

Alternative Stain Finishes are available for veneer and wood edged tops.

For Stain Finish Matching you must supply two 4" x 4" finish color and grain reference samples. An expertly finish matched sample will be provided for customer approval.

NOTE CUSTOMS OR ALTERNATIVES MAY AFFECT STANDARD PRODUCTION

Adjustable Height Utility Table - Motorized

\$3560 / table

Specify code **BAMMKU** (Adjustable Height - Motorized), add \$3560.00 list each

Motorized Maker Utility tables adjust electrically from 30" to 42" table height.

Adjustable Height Utility Table - Crank

\$2774 / table

Specify code **BAKMKU** (Adjustable Height - Crank), add \$2774.00 list per table.

Crank height Maker Utility tables adjust from 30" to 42" table height.

Adjustable Height Utility Table - Pin

\$676 / table

Specify code **BAPMKU** (Adjustable Height - Pin), add \$676.00 list per table

Pin adjustable height Maker Utility tables adjust from 30" to 42" table height in 2" increments.

NOTE BASE WIRE ACCESS OPTION (BWA) IS NOT AVAILABLE ON TABLES WITH AN ADJUSTABLE HEIGHT OPTION

Top Custom Cutout

\$120 / cutout

Specify code **TCC** (Top Custom Cutout), add \$120.00 list per cutout

Top Custom Cutout requires a drawing for production and is subject to approvals.

Base Wire Access

\$120 / Maker Utility table

\$60 / Maker Utility occasional table or Maker A round or square table

Specify code **BWA2** (Base Wire Access), add \$120.00 list per Maker Utility or Maker A rectangle table.

Specify code **BWA1** (Base Wire Access), and add \$60.00 list per Maker Utility occasional table or Maker A round or square table.

When BWA2 is specified the Base Wire Access will be installed on the user left leg and the approach side right leg. When BWA1 is specified the Base Wire Access will be installed on one leg.

Wire Trough / Cutout

\$529 / rectangle table

\$372 / round or square table

Specify code **WTC** (Wire Trough / Cutout), add \$529.00 list per rectangle table or \$372.00 list per round or square table. Contact Versteel Customer Service for table over 96" long.

Available on Maker A tables, the 8" wide trough is open on the long sides with a 1" lip and one grommet on each of the short sides. The 3" depth below the top surface allows for electrical to be dropped through the cutout. The cutout in the top is 6" wide and is proportional to the top length. Trough will be the same color as the bases

Table Link

\$251 / table

Specify code **TLK** (Table Link), add \$251.00 list per table

Table Link is for linking Versteel table configurations in typical room situations. Table link will prevent the accidental disconnection of power supply to adjacent tables. Available on tables with PVC, 3mm Wood, Wood Square, Wood Fluted and Ergo user side edge details.

Table Link - Ends Only

\$135 / table

Specify code **TLE** (Table Link - Ends Only), add \$135.00 list per table

Table Link is for linking Versteel table configurations in typical room situations. Specify Table Link - Ends Only when your configuration requires linking on the table ends only. Available on tables with PVC, 3mm Wood, Wood Square, Wood Fluted and Ergo user side edge details. Table Link - Ends Only is included with electrical package options. This will prevent the accidental disconnection of power supply to adjacent tables.

Single Bag Hook**\$15 / Hook**

Specify code **ABHH01** (Single Bag Hook), add \$15.00 list per hook.

The bag hook is made of 14 gauge formed steel. Available in any of Versteel's powder coat colors. Hook may be field installed. It attaches horizontally on the underside of a table. Overall size of hook is 1½" D x 1⅞" W x 2½" H.

Double Bag Hook**\$34 / Hook**

Specify code **ABHD01** (Double Bag Hook), add \$34.00 list per hook.

The double bag hook is made of 14 gauge formed steel. Available in any of Versteel's powder coat colors. Hook sits atop the Maker Light Bar or can be attached to the underside of a table.

* Percentage rates for **Alaska** and **Hawaii** are to Port of Exit in the 48 contiguous states.

Freight Program

Normal delivery is on a dock-to-dock basis, F.O.B. Versteel's factory in Jasper, Indiana. Orders within the 48 contiguous United States will be assessed a freight charge based on a percentage of the total list price, or a flat rate of \$300, whichever is greater. Using the zone map above apply the appropriate percentage to the total list to determine freight cost. Special requests such as inside delivery, "call before," etc. should be noted on the customer's purchase order and are subject to additional charges. Contact Versteel Customer Service regarding freight quotes for shipments to Canada, a minimum charge of \$400 will apply.

Oversize Shipping Fee

Orders received for items or tops greater than 94" in length will receive a \$250 net oversized shipping fee per order. Fee not applied to orders with multi-piece tops where each section is less than 94" in length.

All prices are delivered list price effective with date printed on cover and supersedes all other published price lists. Versteel reserves the right to change prices or specifications without prior notice. Orders are accepted subject to price prevailing at time of shipment.
