

**SIMON™**

 **VERSTEEL®**

### SIMON™ SEATING IN MOTION.

Simon chairs incorporate Versteel's Flex Motion design, which moves with the human body to deliver proven comfort and support in any position. Simon chairs complement Versteel's tables, creating visual unity in training and working environments. And Simon can be nested and stacked for easy storage.

#### MOBILITY

Available with casters to make rearranging quick and easy.

#### NESTING

Tightly nests for easy and convenient storage.

#### TABLET ARM

Additional surface space available for a variety of working needs.

If you're looking for new ideas and  
inspiration, you've come to the right place:
