

Metal Finishes

Versteel's standard powder coat offering provides options ranging from color pop to subtle neutrals. Some products are also available in Chrome, Nickel and/or Aluminum (brushed or polished). Please visit versteel.com for more information.

(T) Transparent (P) Premium

Wood Finishes

Products with wood and veneer may be specified in the standard wood finish offering below. Maker Tables and Benches are also available in Butcher Block with a clear gloss or matte finish. Maker Stools are standard with a multi ply birch seat in clear coat only.
